

## Real-time messaging. Real-time reporting. Real-time **Awareness.**

### THE ONLY HR PLATFORM THAT:

- Protects employees
- Protects your company
- Reduces turnover
- Mitigates litigation and compliance risk

**STOPit PRO** easily and cost-effectively empowers employees to become engaged proactive managers of corporate culture.

#### Mobile App provides employees with 24/7 access to secure and anonymous reporting of:

- ✓ Discrimination
- ✓ Harassment
- ✓ Compliance risk
- ✓ Bullying / Internet
- ✓ Theft/Fraud
- ✓ Threats of violence
- ✓ Whistleblowing
- ✓ Inappropriate behaviors, online and off

#### STOPit PRO allows for:

- ✓ Early intervention: address situations proactively before they escalate and demand reaction
- ✓ Proactive management helps avoid liabilities and litigation
- ✓ Secure and confidential documentation and case files
- ✓ Case assignment and management
- ✓ Enterprise solutions powered by an intuitive dashboard called DOCUMENTit
- ✓ EAP functions to streamline employee access
- ✓ Co-branding and customization

“Far and away the best product available that HR professionals everywhere can use to proactively address workplace risks.”

- Lisa Wicker, Ph.D  
HR Trend Influencer, Thought Leader,  
Best-Selling Author, Speaker

**SaaS model** requires no complex implementation or integration, saving time and expense.

**STOPit PRO can save you time and your company millions.**

Simple to use back-end platform tracks, organizes, alerts and archives.
